Our Services and Activities

Camping Orléans offers you services like two modern sanitary facilities, one convenience store, two dumping stations, a public hall with terrace, recycling services and free wireless Internet everywhere on the campground. We also have for you pull-through campsites, 50 amps campsites and Premium campsites. The latter include a patio, a barbecue and a “bistro” table set. Note that we are located a few minutes away from a variety of restaurants. The local gastronomy is renowned!

We offer outdoor activities, such as volleyball, pool, badminton, basketball, two playgrounds and indoor activities such as ping-pong, baby foot, sand bag throw and a library with French and English books. Moreover, you can borrow at the office balls, playing cards, rackets and paddles, petanque, board games, etc. Close to the campground, you can fish on the dock or walk along the river. Go have a look of the painted rocks on the shore and don't miss the passing cruise ships and cargos!

At the heart of the île d'Orléans' attractions you will take pleasure in discovering the many arts and crafts shops nearby (painting, pottery, tinplate making, jewellers' crafts, popular art, weaving, etc.) or in tasting the flavours of the land. Hot bread from the bakery, awarded wines from the wineries, cheese, chocolate, foie gras, cider, fresh products such as seasonal fruit and vegetables, maple products, as well as farm products will delight you. You will enjoy cycling around the beautiful island or visit its historical heritage. Also visit a fish farm, golf courses, brewery, cabaret, antiques, and so much more!
