Policy regarding additional persons

A camping group may count up to four persons without incurring an additional cost. Over four persons, the fee is 3.00\$ per additional person per night. These persons have to be registered at the same time the reservation is made, and use the same camping equipment for the entire stay. Persons camping for only a part of the stay are considered as visitors, even if the camping group counts less than four persons. Also, the persons included in the camping group have to be the same ones for the entire stay : no «exchange» of campers is permitted.

Policy regarding visitors to our campground

All our clients may receive visitors. These have to pay their entry fee (6.00\$ for each adult, and 3.00\$ for each child) and respect campground regulations. They have full access to all campground facilities (restrooms, swimming pool, playground, etc.). They can visit from 9 a.m. **and must have left by 10 p.m.** No visitor will be accepted after 9 p.m.

If clients wish to keep visitors overnight (in their camping equipment only, if not another site must be rented), a fee of 3.00\$ per adult and 1.50\$ per child must be paid **before 8 p.m.** Departure time is then 1 p.m. the following day. If ever visitors wish to stay longer afterwards, they have to renew their registration and meet again the daily fee.

Prices asked to visitors are uniquely for their access to the campground. Campers already registered answer for their visitors' behaviour and, in case of problem, will be held responsible.
